

Consortium for Advanced Management - International

OVER FIVE DECADES OF INDUSTRY-LED COLLABORATIVE RESEARCH

Our Training and Trainers

We have trained at over 26 organizations in USA, over 10 international and multiple community colleges, universities and institutes.

Our content comes from working with over 70 organizations and major academic institutes. We are certified to grant CPE and PMI credits.

Our training is done by people who have implemented the methodologies in various organizations including practitioners and academia.

At the end of the training, we take your organization example and walk through the application, this will show in many cases immediate tangible opportunity for saving and efficiency.
